Rules & Guidelines

The purpose of the youth basketball program is to teach players fundamental basketball skills, the principles of the lifetime fitness and good sportsmanship. Our goal is to make each player's participation a positive and fun experience.

Please take notice: The Youth Basketball program is designed to be a positive and fun experience for the kids. Not every foul or small infraction will be called in order to allow the kids to simply play. Children not participating in the program must be supervised by parents or family members.

Modifications and guidelines in addition to basic basketball rules:

1. All boys must play at least one half of each game (16 minutes of game time).
2. A jump ball shall start the game. All other jump ball situations will be alternating possession.
3. Game length will be 4 quarters of 8 minutes each, running clock.
4. All fouls will be loss of possession. No free throws will be shot.
5. There will be 1 minute between quarters and a 2 minute half-time break.
6. Time outs will be 1 minute and each team has 2 time outs per game.
7. Defense: Man to man defense only. Full court pressure will not be allowed.
8. Substitutions will be made between quarters and at the half-way mark of each quarter.
9. An official score will not be kept for this league.
